

MODEL 1076 DOUBLE

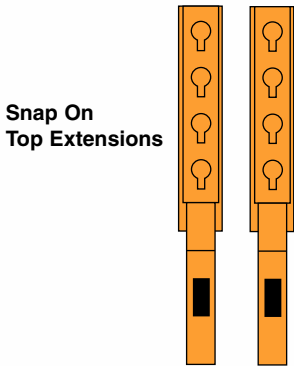

(Main Frame Part No. MF-43)

This model can be easily converted from a 1076 Single to a 1076 Double simply by adding the Drop Plate Extensions and an extra Lifting Blade. No tools required

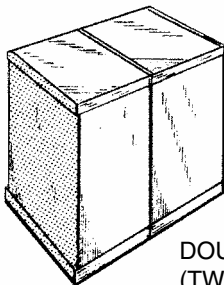

Sliding Drop Plate Extensions (from 3" to 16")

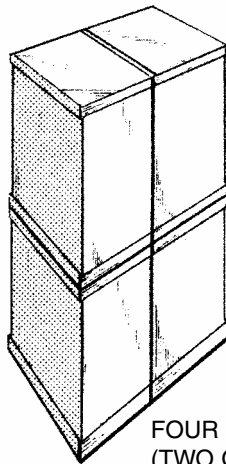

Additional lifting height can be gained (for stacking tall cartons) by snapping the top extensions in place.

Snap On Top Extensions

DOUBLE (TWO WIDE)

FOUR (TWO ON TWO)
